ART & CRAFT WORKSHEET

NURSERY CLASS

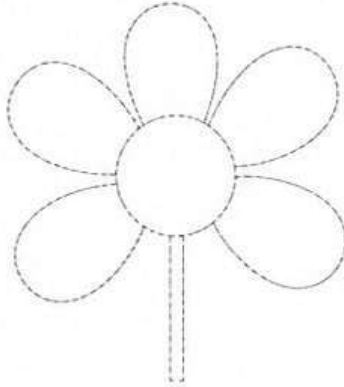

Learn - Create - Enjoy!

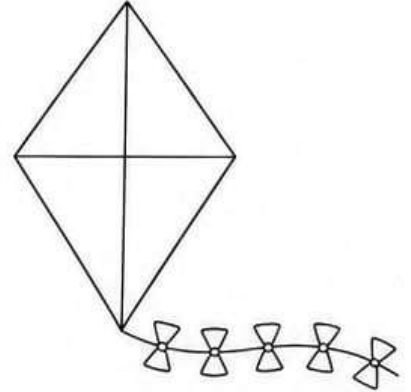

1. Tear small pieces of paper and paste them inside the apple.

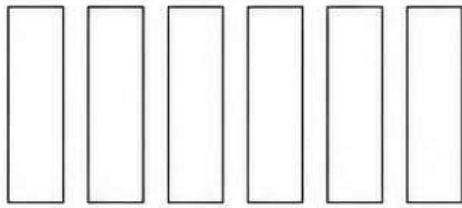

2. Cut the shapes along the dotted lines and paste to make a flower.

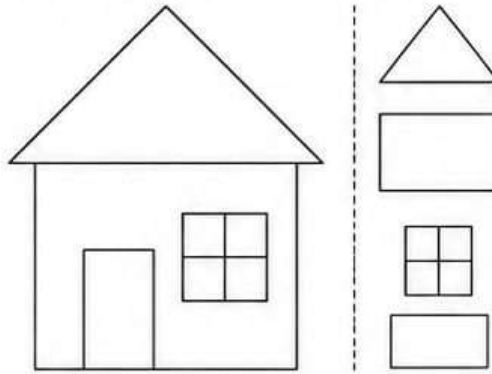

3. Color the kite. Then paste thread (yarn) on the tail of the kite.

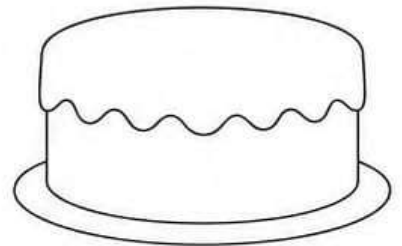

4. Make a paper chain.
Cut strips from coloured paper and make a chain like the given example.

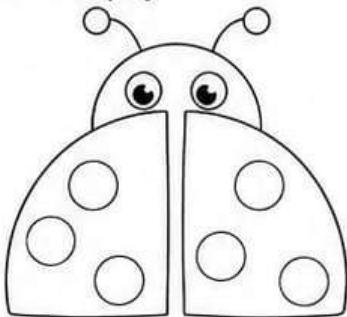

5. Paste the given shapes to make a house.

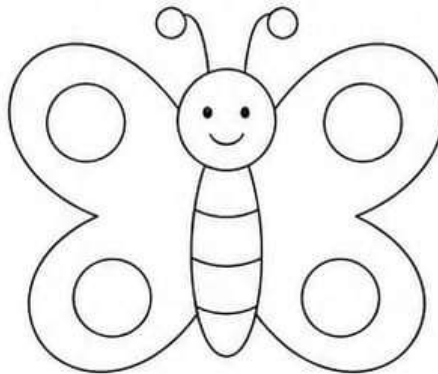

6. Decorate the birthday cake by pasting (or drawing) candles on it.

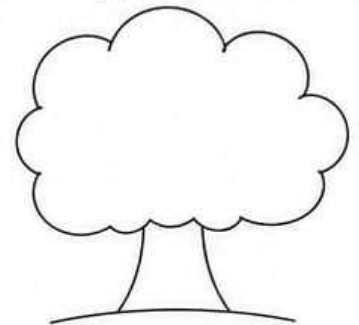

7. Make a ladybug.
Paste black spots (cut from paper) on the ladybug.

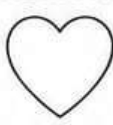

8. Create a butterfly by pasting circles on the wings.

9. Create a tree.
Paste green paper pieces on the leaves and brown paper on the trunk.

10. Cut the pictures along the dotted lines.

11. Choose any one picture from above and paste it here.

12. Use your creativity! Draw or paste anything you like.
