SECTION A – READING SKILLS (20 Marks)

Q1. Read the passage and answer the questions. (10)

Trees are one of the greatest gifts of nature. They give us oxygen, fruits, flowers, wood and shade. They provide homes to birds and animals. Trees also help to keep the air cool and clean. Unfortunately, many trees are cut down for buildings, roads and other purposes. If this continues, the balance of nature will be disturbed. Therefore, we must plant more trees and protect the forests around us.

A. Answer the following: (4×1=4)

1. What do trees give us?
2. How do trees help birds and animals?
3. Why are trees cut down?
4. What should we do to protect nature?
